Specifications

Power
- Batteries included: No
- Battery type: D / LR20 Alkaline
- Number of batteries: 2

Technical specifications
- Housing material: Natural rubber
- Bulb type: KPR102
- Bulb voltage: 2.4 V

Green Specifications
- Packaging material: Box, PET
- Packaging type: Hang tag

Dimensions
- Master carton quantity: 6
- Outer carton dimensions WxDxH: 250 x 430 x 115 mm
- Product dimensions (WxDxH): 110 x 275 x 60 mm
- Product weight: 0.269 kg

Product highlights

Philips Krypton bulb
A miniature bulb in which Krypton gas is used to increase the light output by up to 70% compared to a standard bulb.

Pre-focused beam
Thanks to a pre-shaped lens and/or reflector the beam provides the optimal light output and focus.

Splash waterproof
Rubber sealing rings and housing prevent water causing damage to the torch and allow you to use it in all weather conditions.

Shock resistant
A special shock resistant plastic or rubber housing prevents damage to your torch caused by shocks.

Anti-roll bar
A special shape in the housing of the lamp makes sure it will not roll away on a sloping surface and thus always keeps your torch close at hand.

Nylon strap
This strap makes the torch easy to carry around and prevents it from falling if it accidentally slips out of your hand.
